

Register New Account

A hand-drawn sketch of a mobile application interface for registering a new account. The screen is enclosed in a rounded rectangle representing a phone. At the top, there is a status bar with a Wi-Fi icon, signal strength bars, and the time 6:55. Below the status bar is a header area with a user icon (a person silhouette next to three horizontal lines). The main content area is titled "Register New Account" and contains three input fields for "your fullname", "your whatsapp", and "your email". Below these fields, the text "UUID : 1234-123" is displayed in red, followed by a "Register" button.
